

Night At The Races

May 5th, 2007

The Night at the Races event is coming together nicely thanks to the diligent efforts of the event committee and especially chairman Brad Tomlinson. Funding was approved at the November 27th BOD meeting for the deposit on the Platea VFD Social Hall, and for the purchase of the second prize race tickets for Michigan. The committee is also exploring which caterer will be used for the event. A preliminary "proof" of the ticket was circulated among the members and will be in production very shortly. Members can expect to have tickets available to sell at the January 8th meeting. "This is shaping up to be a great fund-raiser for the club," says chairman Brad Tomlinson. "We are going to need every member's help make this project a success." Tickets will be \$60.00 with a limit of 200 to be sold.

DG to Visit

The District Governor of Multiple District 14-F, Scott Ladner, will be attending the January 8th dinner meeting at Valenza's. The 8th is also Hula Night and members are encouraged to wear Hawaiian or floral shirts to help chase away the wintertime blues. Everyone will get lei'd at the meeting, so be sure to attend.

Lion Laughs
