## Old Fashioned Days Car Show

The Albion Area Lions Club will be hosting the Annual Old Fashioned Days Car Show at the Boro Park on Saturday, August 11th 2007. Lions are requested to report to the Park no later than 10:00 to help with set-up. If you do not have an assignment, please contact show chairman Dick Bennett at 756-3851. Please make sure that you bring any unsold raffle tickets as well as the tickets that have been purchased. The 50/50 drawing will be held during the event.

### New Members Approved

Two new members were approved for membership at the July 23, 2007 Board of Directors Meeting. Wendy Graff and Becky Duda will be welcomed into the Club by King Lion Phil Perry in the near future. Congratulations to the new members on their "formal" membership.

### Shorty's Kitchen Keys

Any Lion that is in possession of a key to Shorty's kitchen needs to contact Secretary Ken Graff to re-sign for their key.

### Lions Laughs

Late one foggy night a Steelers fan and a Browns fan collided head-on while driving across a bridge. Fortunately both were unhurt but their cars were pretty banged up. "This is a sign", says the Steelers fan, "that we should put aside our differences and live as friends instead of rivals." "You're right," says the Browns fan. He pops open the trunk of his car and takes out a bottle of bourbon. "Let's toast our newfound friendship." The Steelers fan takes a big swig from the bottle and hands it back to the Browns fan, "Your turn!" "Nah," says the Browns fan, tossing the bottle into the river. "I think I'll just wait for the police to show up."

## 5th Annual Norman Rabell Memorial Golf Tournament

The 5th Annual Norman Rabell Memorial Golf Tournament was held at the Riverside Golf Course on June 16th, 2007. Tournament Chair Mike Thompson reports that 25 teams participated and 44 hole sponsors helped make this year's event the second highest grossing golf outing yet, taking in over \$5,500.00. "Fantastic weather, great golf, huge prizes and an enormous steak dinner helped make this a memorable day," says Thompson. The 2008 Tournament is scheduled for Saturday, June 14th at Riverside.

### Collections and Donations

The Albion Area Lions are still collecting hats with brims or bills to be given to the VOSH program. These hats will be sent to equatorial countries where UV exposure is a leading cause of blindness and eye problems. We are also collecting tabs off of aluminum cans. Please bring items to any club meeting.
