DISTRICT CONTESTS

We are in first place in the District Governor's contest with few opportunities to maintain that lead. If you have any used eyeglasses, please give them to Ken Graff before March 19. Each pair earns one point. He will be taking them into LensCrafters on the March 22. Also, new members earn 1500 points and four members on a visitation earn 500 points. Each additional member earns 50 points.

GOLF TOURNAMENT

The Norman Rabell Memorial Golf Tournament Committee has distributed flyers and entrance forms. Letters to sponsors will soon be mailed. Included with this mailing is a list of sponsors from last year. It is not too early to start thinking about getting new sponsors. All new members and old members who have never gotten a sponsor are encouraged to find one this year. Also, each Lion can become a sponsor.

PAST PRESIDENT RECEIVES AWARD

Past President Bruce Hetrick received an award for membership retention in the form of a letter and pin. He thanked his membership committee and last year's chairman Mike Thompson for their work.

MEMBERS ATTEND REGION MEETING

Secretary Ken Graff and Lions Wendy Graff, Dick Bennett and Debbie Bennett attended a Region 2 meeting at the Sugar and Spice Restaurant in Waterford on February 26. Lions from Summit, Greene Township Union City, and Waterford attended the dinner meeting. A representative from each club gave a report on activities and plans for the rest of the year. (*Secretary and member attendance earned 375 points in District Governors contest.*)

LUCKY LAST NUMBER STRIKES AGAIN

After a long dry spell, when his luck appeared to have run out, Mike Thompson was victorious and won the 50-50-raffle on February 25. His secret formula* of buying the winning ticket finally paid off.

PS: Attention all IRS agents, he donated his prize to the Club.
